SUBJECT INDEX TO VOLUME 170

January–December 2005

A

Accident risk, in Finnish defense forces, 756
Active duty personnel
  anxiety and abnormal eating behaviors in, 663
  HIV/AIDS care in, in Navy, 1019
  in Operation Iraqi Freedom
    cardiac palpitations in, case management study, 550
    stressors and health care needs of, 530
  palmar hyperhidrosis in, thoracoscopic sympathectomy for, 1016
  SOCRATES in, psychometric properties of, 960
  women
    acute dysuria among, 735
    unplanned pregnancy among, 38
Acute coronary syndrome, in war in Bosnia and Herzegovina, 431
Adolescents, military, resilience and behavior related to geographic relocation frequency, 638
Aedes aegypti, and life stages of, identification with real time polymerase chain reaction, 1060
Aeromedical evacuations, from Operation Iraqi Freedom, 521
Afghanistan
  craniofacial trauma in, CT of, 206
  Plasmodium vivax malaria in, pathogenesis and management of, case report, 488
  travelers' diarrhea in, epidemiology and management of, 492
  uranium isotope concentration in urine, 277
  Vietnam lessons applicable to?, guest editorial, iii(8)
Air evacuation, of head-injured patient, case report and literature review, 577
Air Force
  active duty women in, unplanned pregnancy among, 38
  dental health risk assessment in, 26
  support unit in civilian disaster response, 103
Aircraft carrier, injury rates on, 387
Airway, predicting closure of, in inhalational injury, 677
Allergic rhinitis, in Middle East, 1026
Allergy, to insect sting, in Navy aviation, epidemiology of, 764
Anemia, glucose-6-phosphate dehydrogenase deficiency with, after primaquine for malaria, case reports, 273
Anesthesia services, aboard USNS COMFORT, in Operation Iraqi Freedom, 476
Anger, in combat zone, 483
Angolian armed forces, HIV/STI prevention in, 327
Anxiety, abnormal eating behaviors and, in Navy active duty personnel, 663
Apical resection, for pneumothorax, physical fitness after, 760
Army
  building strong and ready families in, 227
  influenza/influenza-like illness, in immunized soldiers, 94
  junior dental officer retention in, 21
  myotonias in, symptoms and effects on service fitness, 806
  one-handed tourniquet from, physiological evaluation of, 776
  postdeployment domestic violence in, 643
  psychological screening procedures in, 555
  suicide in, 580
Army hospitals
  for humanitarian mission in Iraq, 473
  trauma care in, 141
Army Physical Fitness Test, acute injury from, 1005
Army primary care clinics, open access appointing in, 370
Army Reserve, medical and physical readiness of, 443
Arthrodesis, elbow, after war injury, 164
Asbestos surveillance, Navy program for, pleural radiographic trends in, 375
Atherosclerosis, risk factors for, military rank and, 820
Avascular necrosis, in total open luxation of talus, letter, iii(11)
Aviators, hearing loss in, in Turkey, 572

B

Babesiosis, transfusion-acquired, case report, 295
Back pain, chronic low, lumbar spinal canal narrowing as predictor of, 926
Backpack load, marching speed and, metabolic responses to, 619
Bacterial zoonoses, prevention and treatment of, 39(April suppl)
Balanced Scorecard, Total Quality Management *versus*, 855
Bam earthquake, Iranian military forces in, 859
Basic training, stress fractures during, in Israel Defense Forces, gender and, 710
Battlefield
  fluid-warming devices in, 76
  hemorrhage control in, 63
  rapid identification of Dengue virus in, using reverse transcription-polymerase chain reaction, 1053
  Total Quality Management for, 915
  tourniquet use in, 770
Behavior, adolescent, geographic relocation frequency and, 638
Biological/chemical respiratory protection filter, safety of, 1029
Bioterrorism: *see also* Chemical attack
  defenses against, book review, iii(3)
Body mass index
  Navy physical readiness test scores and, 851
  of senior officers, 841
Bomb-related death and injury, in United States, FBI investigation of, 595
Book reviews
  Basic and Advanced Treatment Techniques in Prostate Brachytherapy, xii(8)
  Biological Weapons Defense: Infectious Disease and Counterbioterrorism, iii(3)
  Measurement in Nursing and Health Research, Third Edition, iii(5)
Bosnia War
  acute coronary syndrome in, 431
  medical services delivery during, 810
Brachytherapy, prostatic, basic and advanced treatment techniques in, book review, xii(8)
Bradycardia, torsade de pointes associated with, case report and literature review, 381
Breastfeeding rates, lactation consultants and, 435
Breathing, work of, oxygen reservoir tube length and, in Universal Portable Anesthesia Complete, 291
Bullet, intravascular migration, case reports, 1044
Burn injury
  inhalational, predicting upper airway closure in, 677
  treating in Special Forces and far-forward deployed troops, 919

C

Calculi, urinary, treatment of, in combat zone, 460
Camouflage face paint, field-user acceptability of, in Korea, 831
Cannula fixation methods, 931
Canteen shape, dehydration minimization and, 871
Carbohydrate-electrolyte fluid replacement, water *versus*, during loaded marching under heat stress, 715
Cardiac palpitations, in active duty soldier, in Operation Iraqi Freedom, case management study, 550
Career History Archival Medical and Personnel System, 172
Career soldiers, health care services for, comparing throughout the world, 995
Carotid endarterectomy, with contralateral carotid artery occlusion, safety of, 1069
Chemical attack: *see also* Bioterrorism
  unmasking procedures after, 599
Chemical munitions destruction, exposure to, health effects of, 935, 945
Chemical respiratory protection filter, safety of, 1029
Chest radiography, in identifying missing Marine from World War II, 239
Children: *see also* Infants
  renal graft rejection-related hypertension in, fenoldopam failure in, case report, 130
Cigarette manufacturers, military personnel targeted by, 874
Civilian disaster response, military model in, 103
Civilian employers, perspective on National Guard activation, 846
Clinical practice guidelines, in primary care, 243
Coagulopathy, acquired, recombinant activated factor VII for, case report, 287
Cobra bites, in Thailand, 336
Cognitive function, in sleep deprivation, modafinil and, 333
Combat casualties
  forward surgical team treatment of
    in Operation Enduring Freedom, 451, 462
    in Operation Iraqi Freedom, 469
  malignant hyperthermia susceptibility in, 510
  triage dynamics and ethics in, 505
Combat training, hand-to-hand, impetigo after, case reports, 972
Combat zone
  anger in, 483
  fluid-warming devices for, 76
  preventive health programs in, 528
  urinary calculi treatment in, 460
Combat-related nightmares, recurrent, prazosin for, case series, 513
Combat-related post-traumatic stress disorder
  male, lifetime sexual and physical victimization among, 223
  psychotic comorbidity in, 223
Computed tomography, of craniofacial trauma, 206
Computerized system, for health care invoices, 121
Condom use, by male enlisted deployed Navy personnel, 898
Condyle, mandibular, osteochondroma of, case report and literature review, 797
Congenital hypoplasia of inferior vena cava, deep venous thrombosis from, in young adults, 739
Convoy injuries, in Operation Iraqi Freedom, 546
CORE laboratory, implementation of, 672
Coronary syndrome, acute
  percutaneous intervention overseas, 113
  in war in Bosnia and Herzegovina, 431
Cost analysis, of military eye injuries, 196
Cough, chronic, pulmonary neuroendocrine cell hyperplasia and, case report, 439
Craniocerebral injury, from missile, complications of, 422

Craniofacial trauma, CT of, 206
Creatine kinase BB, increased, in acute myocardial infarction diagnosis, 648
Crimean-Congo hemorrhagic fever, containing potential outbreak in Kosovo, 366
Croatian Homeland War, missile craniocerebral injury during, complications of, 422
Cryptosporidium parvum, water purification tablets against, iodine in, 83
CT: see Computed tomography

D

Death, bomb-related, in United States, FBI investigation of, 595
Deep venous thrombosis, from congenital hypoplasia of inferior vena cava, in young adults, 739
Dehydration, canteen shape and, 871
Dengue virus, rapid identification by reverse transcription-polymerase chain reaction, in field, 1053
Dental morbidity, in United Kingdom Armed Forces, 536, 542
Dentistry
  dental health risk assessment in, 26
  dental school indebtedness of, loan repayment and career decisions, 21
Department of Defense
  distance learning collaborative with Department of Veterans Affairs, 395
  military health system of, patient satisfaction in, 309
  pharmacy benefit management program of, 302
Deployment
  aircraft carrier personnel injury rates during, 387
  domestic violence after, by U.S. Army soldiers, 643
  fitness for duty in, differences in assessment of, 728
  lymphatic filariasis in, 585
  male enlisted Navy personnel in, condom use by, 898
  pharmaceutical formulary for, 109
  positive and negative consequences of, 815
  psychological screening procedures before, 555
  of Special Forces, burn injury treatment in, 919
Depression, detecting in primary care, 158
Detainee medical problems, after conclusion of ground combat in Operation Iraqi Freedom, 501
Diarrhea
  infectious, in Israeli military, 634
  prevention and treatment of, 30(April suppl)
  travelers,' epidemiology and management of, 492
  zinc and, 1048
Disability claims, for post-traumatic stress disorder, 137
  veterans service officers and, 867
Discipline, attitudes toward, in soldiers taking drugs, 691
Disease nonbattle injury rate surveillance
  for Joint Task Force Haiti, 1032
  letter, iii(5)
Dive-related disorders, radiology in, 57
Domestic violence
  postdeployment, by U.S. Army soldiers, 643
  premilitary and in second year of service, 705
Drug addiction
  attitudes toward military service, training, and discipline in, 691
  in young recruits, family and environmental factors in, 688
Dysuria, acute, in female soldiers, 735

E

Earthquake, in Bam, Iranian military forces in, 859
Eating disorders, anxiety and, in Navy active duty personnel, 663
Eating habits, of senior officers, 841
Echelon II medical unit, spectrum of care at, 516
Education, in orthopedic medicine, Internet-based referral/consultation system in, 214
Education collaboration, between Department of Defense and Department of Veterans Affairs, 395
Elbow arthrodesis, after war injury, 164
Electrolyte fluid-carbohydrate replacement, water *versus*, during loaded marching under heat stress, 715
Emergency department, myocardial infarction diagnosis in, macro-creatine kinase and increased creatine kinase BB in, 648
Encephalitis, viral, prevention and treatment of, 92(April suppl)
Endarterectomy, carotid, with contralateral carotid artery occlusion, safety of, 1069
Enemy prisoners of war, medical management of, 177
Enlisted personnel, deployed male in Navy, condom use by, 898
Epilepsy, refractory, temporal lobectomy for, 201
Erratum, viii(5)
Errors, medical, battlefield Total Quality Management and, 915
Ethics, of triage, 505
Exercise, by senior officers, 841
Eye injuries, cost analysis of, 196

F

Face paint camouflage, field-user acceptability of, in Korea, 831
Factor VII, recombinant activated, for acquired coagulopathy, case report, 287
Family, Army, strong and ready, 227
Family environment, of young recruits with drug addiction, 688
Family physician, specialty skill maintenance by, SAGE approach to, 1012
FAST 1 intraosseous infusion system, design criteria of, validation by cadaver testing, vii(7), 251
Febrile neutropenic patients, in malignant hematological diseases, infection in, 653
Federal Bureau of Investigation, investigation of bomb-related death and injury in United States, 595
Fenoldopam, failure to control renal graft rejection-related hypertension, in child, case report, 130
Fibular transfer, ipsilateral, for tibial defect from gunshot injury, case report, 418
Filariasis, lymphatic, in military deployments, 585
Finlay, Carlos, yellow fever and, 881
Finnish defense forces, risk of accidents and occupational diseases among, 756
Fitness for duty: *see also* Physical fitness
  during deployment, differences in assessment of, 728
  predictors of, 14
Fixators, external, for shoulder war injury, 414
Fluid consumption, canteen shape and, in dehydration minimization, 871
Fluid resuscitation, cannula fixation methods in, 931
Fluid-warming devices, for forward surgical and combat areas, 76
Folliculitis, after smallpox vaccination, case reports, 133
Foot shape, of recruits, military functioning and, 623, 629
Forward surgical team
  burn injury treatment in, 919
  fluid-warming devices for, 76
  in Operation Enduring Freedom, 451
    combat casualties treated in, 462
  in Operation Iraqi Freedom, 297, 469
Forward-deployed hospital, ultrasonography in, 99
Fracture
  of frontal sinus, air evacuation in, case report and literature review, 577
  stress, during Israel Defense Forces basic training, gender and, 710
Frontal sinus fracture, air evacuation in, case report and literature review, 577

G

Gambling treatment program, overseas, 683
Gastrointestinal symptoms, chronic, after Persian Gulf War exposure, 696
Gender
  as predictor of military attrition among recruits, 1037
  and stress fractures during Israel Defense Forces basic training, 710
Geographic relocation, frequency of, military adolescent resilience and behavior response to, 638
Gingival enlargement, histopathological evaluation of, case reports, 986
Glucose-6-phosphate dehydrogenase deficiency, anemia with, after primaquine for malaria, case reports, 273
Guest editorial
  lessons learned from Vietnam: do they apply to Iraq and Afghanistan?, iii(8)
  mass casualty aboard USS Kitty Hawk (CV 63) January 2005: lessons learned, iii(7)
  why the military needs humanitarian medicine specialists, xi(4)
    letter, iv(11)
Gulf War: see Persian Gulf War
Gunshot injury
  bullet intravascular migration in, case reports, 1044
  tibial defect from, ipsilateral fibular transfer for, case report, 418
Gunshot residue, image analysis of, 802

H

Haiti, disease nonbattle injury surveillance for, 1032
Hantaan virus, in Korean War veterans, long-term sequelae of, 315
Head and neck trauma screening, after USS Cole experience, 991
Head-injured air-evacuated patient, case report and literature review, 577
Health care costs, predicting in Persian Gulf War veterans, 70
Health care invoices, computerized system for, 121
Health care services
  for career soldiers throughout the world, comparison of, 995
  delivery to different national groups during war, 810
  soldiers' experiences with, 999
  use by Israel Defense Forces, physician demographics and, 836
  use by Native American veterans, 782
Health care workers, needle-stick epidemiology in, 1034
Health professionals, post-traumatic stress disorder in, 125
Health status, assessment among Project Whitecoat volunteers, 183
Health system, TRICARE, risk adjustment for, 964
Healthy behavior, among senior officers, 841
Hearing loss, in Turkish aviators, 572
Heat stress, loaded marching under, water *versus* carbohydrate-electrolyte fluid replacement during, 715
Hematological change, physical training and, 590
Hematological diseases, malignant, febrile neutropenia in, infection with, 653
Hemorrhage control, in battlefield, 63
Hemorrhage simulator, in medic training, 921
Hemorrhagic fevers
  Crimean-Congo, containing potential outbreak in Kosovo, 366
  Dengue, rapid identification by reverse transcription-polymerase chain reaction, in field, 1053

Hantaan, in Korean War veterans, 315
prevention and treatment of, 77(April suppl)
renal syndrome with, long-term sequelae of, 315
Hemostatic agents
letter, ii(12)
Hepatitis, viral, prevention and treatment of, 71(April suppl)
Herbicides, Vietnam War soldier exposure to, veteran mortality from, 406
Herzegovina War
acute coronary syndrome in, 431
medical services delivery in, 810
Homeland defense, National Guard activation for, impact from employers' perspective, 846
Hospital: *see also* Veterans Affairs Medical Centers
Army, trauma care in, 141
forward-deployed, fluid-warming devices for, 76
Marine, closing of, 259
Mobile Army Surgical, surgical experience in Operation Iraqi Freedom, 268
psychiatric ward of, predicting length of stay in, 219
of Turkish Armed Force, manager leadership attitudes in, 247
Host defense mechanisms, novel nutritional immune formula and, 975
Human immunodeficiency virus/acquired immunodeficiency syndrome
caring for active duty personnel with, in Navy, 1019
caring for veterans with, in VA facilities, 952
prevention of
in Angolian armed forces, 327
condom use in, 898
literature review, 886
Humanitarian medicine specialists
guest editorial, xi(4)
letter, iv(11)
in southern Iraq, field army hospital for, 473
Hyperhidrosis, palmar, thoracoscopic sympathectomy for, 1016
Hypertension, renal graft rejection-related, fenoldopam failure in, in child, case report, 130
Hyperthermia, malignant, susceptibility to, in trauma patient, 510
Hypothermia, fluid-warming devices for, 76

I

Immune system, novel nutritional immune formula and, 975
Impetigo, after hand-to-hand combat training, case reports, 972
Incarceration, and veterans of first Gulf War, 612
Infants, morbidity and mortality, in Turkish military hospital, 48
Infection
in febrile neutropenic patients, in malignant hematological diseases, 653
tuberculous deep neck, diagnosis of, case report, 1066
Infectious diarrhea, in Israeli military, 634
Infectious disease
as bioterrorism, defenses against, book review, iii(3)
U.S. military contribution to understanding, prevention, and treatment of, 1(April suppl)
bacterial zoonoses, 39(April suppl)
diarrheal, 30(April suppl)
malaria, 12(April suppl)
parasitic, 17(April suppl)
respiratory, 66(April suppl)
rickettsial, 49(April suppl)
sexually transmitted, 61(April suppl)
vaccines against, 3(April suppl)
viral encephalitis, 92(April suppl)
viral hemorrhagic, 77(April suppl)
viral hepatitis, 71(April suppl)
Inferior vena cava, congenital hypoplasia of, deep venous thrombosis from, in young adults, 739
Influenza, in immunized soldiers, 94
Informed consent, and refusing treatment, physician attitudes toward, 566
Inhalational injury: *see also* Burn injury
predicting upper airway closure in, 677
Insect repellent use, in Operation Iraqi Freedom, 496
Insect sting allergy, in Navy aviation, epidemiology of, 764
Internet, referral/consultation system based on, 214
Intimate partner violence: *see* Domestic violence
Intraosseous infusion system, design criteria of, validation by cadaver testing, vii(7), 251
Iodine, in water purification tablets, against *Cryptosporidium parvum*, 83
Iranian military forces, in Bam earthquake, 859
Iraq
chemical munitions destruction exposure in, health effects of, 935, 945
humanitarian mission in, field army hospital for, 473
travelers' diarrhea in, epidemiology and management of, 492
Vietnam lessons applicable to?, guest editorial, iii(8)
Israel Defense Forces
casualties in second Palestine uprising, 427
health care invoices in, computerized system for, 121
health service and laboratory test use by, physician demographics and, 836
infectious diarrheal outbreaks in, 634
stress fractures during basic training in, gender and, 710

K

Korea, camouflage face paint acceptability in, 831
Korean War
hemorrhagic fever with renal syndrome in, long-term sequelae of, 315
military nurses in, letter, ii(5)
Kosovo, containing potential Crimean-Congo hemorrhagic fever outbreak in, 366
Kuwait, insect repellent use in, 496

L

Laboratory test use, by Israel Defense Forces, physician demographics and, 836
Lactation consultants, breastfeeding rates and, 435
Laparoscopic resection rectopexy, for total rectal prolapse, 743
Leishmaniasis, zinc and, 1048
Letters to the Editor
delivering fluids and medications directly into sternum via intraosseous infusion, vii(7)
disease and non-battle injury rates, ii(5)
hemostatic agents, ii(12)
humanitarian medicine specialists in military, iv(11)
malaria on military peacekeeping operation, iii(11)
military nurses in Korean War, ii(5)
testicular cancer rate in Gulf War veterans, ii(5), 364
total open luxation of talus, repair of, iii(11)
Lithuanian Army recruits, oral health in, smoking and other factors affecting, 791
Long-QT syndrome, underlying bradycardia-associated torsade de pointes, case report and literature review, 381
Lumbar spinal canal, narrowing of, chronic low back pain predicted by, 926
Lungs, radiographic trends in Navy Asbestos Medical Surveillance Program, 375
Lymphatic filariasis, in military deployments, 585

M

Macro-creatine kinase, in acute myocardial infarction diagnosis, 648
Magnetic resonance imaging, in chronic lower back pain, 926
Malaria
on military peacekeeping operation, 193
letter, iii(11)
Plasmodium vivax in, pathogenesis and management in Afghanistan, case report, 488
prevention and treatment of, 12(April suppl)
primaquine for, glucose-6-phosphate dehydrogenase deficiency with anemia after, case reports, 273
zinc and, 1048
Malayan pit viper bites, in Thailand, 342
Malignant hematological diseases, febrile neutropenia in, infection with, 653
Malignant hyperthermia, susceptibility to, in trauma patient, 510
Mandibular condyle
osteochondroma of, case report and literature review, 797
osteoma of, 117
Marching
loaded and under heat stress, water versus carbohydrate-electrolyte fluid replacement during, 715
speed and backpack load in, metabolic responses to, 619
Marine Corps, recruits in, gender and trauma as predictors of military attrition among, 1037
Marine hospital, closing of, 259
Married soldiers, deployment consequences for, 815
Mass casualty, aboard USS Kitty Hawk, lessons learned from, guest editorial, iii(7)
Measurement, in nursing and health research, book review, iii(5)
Mechlorethamine, in skin protection against nitrogen mustard exposure, 1
Medical costs, of soldiers, predictors of, 14
Medical errors, battlefield Total Quality Management and, 915
Medical training, 824: *see also* Training
for combat, computer-based virtual simulators in, 723
hemorrhage simulator in, 921
methods of, 824
Medical/physical readiness, of Army Reserve, 443
Mental disorders: *see also* Depression; Post-traumatic stress disorder
hospitalization for, in Navy, 87
Middle East, allergic rhinitis in, 1026
Military convoy injuries, in Operation Iraqi Freedom, 546
Military occupational health care, strategic planning for, 748
Military peacekeeping operation, malaria on, 193
letter, iii(11)
Missile craniocerebral injury, complications of, 422
Mobile Army Surgical Hospital, surgical experience in Operation Iraqi Freedom, 268
Modafinil, cognitive function and, in sleep deprivation, 333
Mosquito vectors of West Nile virus, near Navy installations, surveillance and control procedures for, 658
Myelofibrosis, imaging of, vii(3), viii(4)
Myocardial infarction, diagnosis of, macro-creatine kinase and increased creatine kinase BB in, 648
Myotonia, symptoms and effects on Army fitness, 806

N

N-acetylcysteine, in sulfur mustard prophylaxis, 52
National Guard activation, impact from employers' perspective, 846
National security, of United States, Russian public health and, 285
Native American veterans, health service use among, 782
Naval aviation, insect sting allergy in, epidemiology of, 764
Naval installations, mosquito vectors of West Nile virus near, surveillance and control procedures for, 658
Navy
  active duty personnel in
    anxiety and abnormal eating behaviors in, 663
    stressors and health care needs of, 530
  Career History Archival Medical and Personnel System of, 172
  deployed male enlisted personnel in, condom use by, 898
  forward resuscitative surgery system of, in Operation Iraqi Freedom, 297
  health care workers in, needle-stick epidemiology in, 1034
  HIV/AIDS care in, 1019
  physical readiness test scores of, body mass index and, 851
  psychiatric hospitalization in, predictors of, 87
  sexual assault prevention and advocacy program in, 320
Navy Asbestos Medical Surveillance Program, pleural radiographic trends in, 375
Neck, tuberculous deep infection in, diagnosis of, case report, 1066
Neck trauma, screening for, after USS Cole experience, 991
Necrosis, avascular, in total open luxation of talus, letter, iii(11)
Needle-stick epidemiology, in Navy health care workers, 1034
Neutropenia, febrile, in malignant hematological diseases, infection in, 653
Nigeria, psychiatric referrals in, during peace and war, 563
Nightmares, recurrent combat-related, prazosin for, case series, 513
Nitrogen mustard, skin exposure to, protective ointments against, 1
Nurses, in Korean War, letter, ii(5)
Nursing research
  by graduate nursing students, 188
  priorities in, 362
Nursing students, military, teaching radiology to, 713
Nutritional immune formula, host defense mechanisms and, 975

O

Occupational diseases, risk of, in Finnish defense forces, 756
Occupational health care, strategic planning for, 748
Open access, in Army primary care clinics, 370
Operation Enduring Freedom
  Army Reserve medical and physical readiness for, 443
  forward surgical team in, 451
    combat casualties treated in, 462
  pharmaceutical formulary in, 109
  Special Forces medics in, requested precombat refresher training by, 31
  uranium isotope concentration in urine after, 277
Operation Iraqi Freedom
  aeromedical evacuations from, 521
  anesthesia services in, aboard USNS COMFORT, 476
  Army Reserve medical and physical readiness for, 443
  battlefield hemorrhage control in, 63
  combat casualty care in, surgical company experience with, 469
  conclusion of ground combat in, medical problems of detainees after, 501
  echelon II medical unit in, spectrum of care at, 516
  forward-deployed hospitals in, ultrasonography in, 99
  glucose-6-phosphate dehydrogenase deficiency, primaquine, and anemia in, case reports, 273
  MASH surgical experience in, 268
  Navy active duty personnel in, stressors and health care needs of, 530
  Navy forward resuscitative surgery system during, 297
  pharmaceutical formulary in, 109
  protecting military convoys in, 546
  recurrent combat-related nightmares after, prazosin for, case series, 513
  repellent use in, 496
  tachycardia and palpitations patient in, case management study, 550
  unstable angina in, unprotected percutaneous coronary intervention for, 113
Operation Noble Eagle, Army Reserve medical and physical readiness for, 443
Operation Telic, enemy prisoners of war in, medical management of, 177
Oral health, smoking and other factors influencing, in Lithuanian Army recruits, 791
Orthopedic medical education, Internet-based referral/consultation system in, 214
Orthotics, for flat feet, military functioning and, 629
Osteochondroma, of mandibular condyle, case report and literature review, 797
Osteoma, of mandibular condyle, 117
Overweight status, of senior officers, 841
Oxygen reservoir, tube length of, breathing work and, in Universal Portable Anesthesia Complete, 291
Oxygen supplementation, respiratory protection filter for, safety of, 1029

P

Pacific Island Health Care Project, Internet-based referral/consultation system in, 214
Palmar hyperhidrosis, thoracoscopic sympathectomy for, 1016
Parasitic disease, prevention and treatment of, 17(April suppl)
Patient satisfaction, in military medicine, 309
Peacekeeping operation, malaria on, 193
  letter, iii(11)
Peer mentoring care and support, for soldiers, 355
Penicillin, skin testing for reaction to, 701
Percutaneous coronary intervention, for unstable angina overseas, 113
Pericardial constriction, symptomatic, without active pericarditis, 668
Persian Gulf War
  chemical munitions destruction exposure in, health effects of, 935, 945
  chronic gastrointestinal symptoms after, 696
  post-traumatic stress disorder after, referrals to specialized centers for, outcome of, 400
  testicular cancer and, 149
    letter, ii(5), 364
  veterans of
    incarceration and, 612
    predicting health care costs in, 70
    women, monitoring health of, 349
Pharmaceutical formulary, for joint military medical operations, 109
Pharmacy benefit management program, of Department of Defense, 302
Physical fitness: *see also* Fitness for duty
  after apical resection for pneumothorax, 760
  Army testing of, acute injury from, 1005
  myotonias and, 806
  Navy testing of, body mass index and, 851
Physical training, hematological changes and, 590
Physicians
  attitude toward informed consent and refusing treatment, 566
